**2012 Adult Skills Fantasy Camps**

## Moylan Iceplex Adult Fantasy Camps

Moylan Hockey Academy presents its 4th edition of the Adult Fantasy Camp. This year's camp promises to be better than last year, as we continue to refine the process of making the local population of adult hockey players better at their individual skills. Hockey is a game that becomes more enjoyable when you have better basic skills and a decent understanding of the game. We at the Moylan Academy, hope to help you improve in all aspects of your game in order to give you the best possible experience in your respective leagues and pick-up games. We will focus on power-skating, puck-handling, passing and shooting techniques, as well as other advanced skills such as defensive positioning, offensive tactics, angling and scoring. The game of hockey requires time and dedication to get better, and you can always become a better player regardless of your playing level. This Camp is extremely unique because at the conclusion of the camp we have a fantasy game involving local pros, college, and junior players, and it is always a great experience that you will remember for a long time. We look forward to coaching and helping you with your game this summer. Spots are limited and on a first come first serve basis, so get your registration in quickly. Registration forms are online at [www.moylaniceplex.com](http://www.moylaniceplex.com).
